

§ 31.100

28 CFR Ch. I (7–1–14 Edition)

ELIGIBLE APPLICANTS

§ 31.100 Eligibility.

All States as defined by section 103(7) of the JJDP Act.

§ 31.101 Designation of State agency.

The Chief Executive of each State which chooses to apply for a formula grant shall establish or designate a State agency as the sole agency for supervising the preparation and administration of the plan. The plan must demonstrate compliance with administrative and supervisory board membership requirements established by the OJJDP Administrator pursuant to section 299 (c) of the JJDP Act. States must have available for review a copy of the State law or executive order establishing the State agency and its authority.

§ 31.102 State agency structure.

The State agency may be a discrete unit of State government or a division or other component of an existing State crime commission, planning agency or other appropriate unit of State government. Details of organization and structure are matters of State discretion, provided that the agency:

(a) Is a definable entity in the executive branch with the requisite authority to carry out the responsibilities imposed by the JJDP Act;

(b) Has a supervisory board (i.e., a board of directors, commission, committee, council, or other policy board) which has responsibility for supervising the preparation and administration of the plan and its implementation; and

(c) Has sufficient staff and staff capability to carry out the board's policies and the agency's duties and responsibilities to administer the program, develop the plan, process applications, administer grants awarded under the plan, monitor and evaluate programs and projects, provide administration/support services, and perform such accountability functions as are necessary to the administration of Federal funds, such as grant close-out and audit of subgrant and contract funds. At a minimum, one full-time Juvenile Justice Specialist must be assigned to the Formula Grants Program by the State

agency. Where the State does not currently provide or maintain a full-time Juvenile Justice Specialist, the plan must clearly establish and document that the program and administrative support staff resources currently assigned to the program will temporarily meet the adequate staff requirement, and provide an assurance that at least one full-time Juvenile Justice Specialist will be assigned to the Formula Grants Program by the end of FY 1995 (September 30, 1995).

§ 31.103 Membership of supervisory board.

The State advisory group appointed under section 223(a)(3) may operate as the supervisory board for the State agency, at the discretion of the Governor. Where, however, a State has continuously maintained a broad-based law enforcement and criminal justice supervisory board (council) meeting all the requirements of section 402(b)(2) of the Justice System Improvement Act of 1979, and wishes to maintain such a board, such composition shall continue to be acceptable provided that the board's membership includes the chairman and at least two additional citizen members of the State advisory group. For purposes of this requirement a citizen member is defined as any person who is not a full-time government employee or elected official. Any executive committee of such a board must include the same proportion of juvenile justice advisory group members as are included in the total board membership. Any other proposed supervisory board membership is subject to case by case review and approval of the OJJDP Administrator and will require, at a minimum, "balanced representation" of juvenile justice interests.
